SSL Certificate Help

To register your SSL certificate we require some information. Here is a guide to completing the table below.

- **Distinguished Name (DN)** - This is fully qualified domain name that you wish to secure e.g. 'www.mydomain.com' or 'mail.mydomain.com'. This includes the Common Name (CN) e.g. 'www' or 'mail'
- **Business name / Organisation** - Usually the legal incorporated name of a company and should include any suffixes such as Pty Ltd., Limited
- **Department Name / Organisational Unit** - e.g. HR, Finance, IT, Sales
- **Town/City** - e.g. Perth, Sydney, Bendigo
- **Province, Region, County or State** - This should not be abbreviated e.g. Western Australia, New South Wales
- **Country** - The two-letter ISO code for the country where your organization is located e.g. AU in most cases.
- **Email address** - An email address to contact the organisation. Usually the email address of the certificate administrator or IT department.
